The Texas Association of Counties wishes to express its gratitude and appreciation to the county treasurers, county auditors and others who provided the information in this report.

2007 SALARY SURVEY

Data contained in this report lists the annual salaries and supplemental pay benefits budgeted for county officials in fiscal year 2007 as reported in a survey of Texas county treasurers and county auditors. Also provided are 2000 county populations and total 2007 county budgets.

Section One is an alphabetical listing of salaries by county. Section Two provides comparative salary and pay supplement data for each county office, separated according to population groups. Section Three lists the pay ranges and supplements for the offices of justice of the peace and constable.

While much time and great efforts were made to insure accuracy in this report, the volume of data precludes an error-free warranty. The reader should, therefore, use this document for broad-based comparisons only.

Thanks to all counties that participated in the survey.

Information is not included for the following counties: Anderson, Austin, Brooks, Clay, Colorado, Concho, Dallam, Dawson, Ellis, Fayette, Hays, Jim Wells, Kendall, Kenedy, Kerr, Leon, Llano, Red River, Robertson, Schleicher, Starr, Stephens, and Upton.
