My children went to a Catholic School and we were very involved in working with all the kids at the school. From coaching football, basketball and cheerleading sponsor.

I began my public service in Colorado County at the Probation Department prior to starting at the District Clerk's Office. I worked as the chief deputy for 11 years. When the district clerk retired, I took a chance and decided to run for office. After a successful campaign, I took office in 2015 and I am now on my second term. At the beginning of my term, the technology in the office was outdated and we were very behind on digitizing records. Over the past eight years, my small, but hard-working staff and I have made it a priority to bring Colorado County into the future. We have worked so hard and I'm proud to say that nearly all of our records are digitized and the historical records have been restored.

In 1974 I married my high school sweetheart – we have been together almost 48 years. He is a rancher and real estate broker. We have two children, a son and a daughter, two step-grandchildren, one granddaughter and we are looking forward to my son and his wife welcoming twin boys in October.

It has been an honor to be nominated as Clerk of the Year along with so many wonderful nominees. I will be retiring in October to help with grandchildren. I have built so many great friendships working with you all and will miss everyone dearly.
