I am humbled to be nominated for this award by my fellow Region III members.

Becoming the county clerk for Midland County was a huge honor for me. I began working in the County Clerk's Office in 1997. I worked my way from deputy clerk to probate clerk and then assistant chief deputy. I was appointed by the Commissioners Court in April 2015 to fill an unexpired term.

My first CDCAT conference was in May 2015. Needless to say, I looked like a deer caught in headlights. Everyone was so welcoming and eager to help me become the best clerk I could be. I just want to give back to the association that was so helpful to me.
