I was beyond excited to be nominated for District Clerk of the Year during our Region IV Meeting in Fredericksburg, April 29, 2022. If considered and given the opportunity, it would be an honor and privilege to represent our clerks' association.

My tenure with Schleicher County Clerk's Office has been an adventure in itself to say the least. I began my journey as deputy clerk in 1998 for 16 years. In November of 2014, I was elected district and county clerk. I am now running for re-election for a third term, although, I do have an opponent this year and with Gods' grace, I anticipate a positive outcome enabling me to continue my services to my constituents, committees and clerks throughout the state of Texas.

As a combination clerk, I am aware of the County and District Clerks' Office operation, enabling me to know the process throughout and extending out to clerks in need of guidance and assistance.
