## SPONSORSHIP OPPORTUNITIES

The sponsorship level system is designed to recognize each sponsor by the amount of money you contribute. You can choose to sponsor events, donate money and be recognized by the level listed below or both. By incorporating a sponsorship level system each sponsor is recognized by signage at the event and again under a sponsorship level depending on how much you contribute, whether for one or multiple event sponsorships. This gives you, the sponsor, the opportunity to spread your money and recognition across more than one event or item. The total amount of your contribution will determine your sponsorship level. Please see levels listed below:

<b>Platinum</b>	\$3,500 +	<b>Contributor</b>	\$1,499 and less
