Shine On You Crazy Diamond
Game Rules

Teams: Red, Blue, Green, and Yellow

Each Team will choose one person per round to describe the word on each diamond for their team to guess.

One team at a time will select a category from the 9 different categories. All categories are listed twice.

The person selected to describe the words must give the team as many clues as possible without saying any of the words on the card.

The team has 60 seconds to guess all five words in the selected category.

You may pass on any word, and go back to the skipped words if there is time remaining.

The team will earn one diamond for each word guessed correctly during the allotted time.
