

Judicial Training for County Judges

County Judges and Commissioners Association of Texas | Oct. 8, 2019

Moderated Discussion

This session will provide the opportunity to ask questions and explore various county policies that effectively deal with the new legislation, mental health challenges and changes in the DWI realm.

Discuss policies/best practices that may:

1. Maximize protection of persons who may have mental illness or intellectual incapacity
2. Minimize liability of the county
3. Protect county employees from personal liability
4. Work regionally with other counties

Do you have or plan to institute:

1. County policies for all departments?
2. Individual departmental policies?
3. Any concerns with enforcement of policies

Concerning the changes arising out of the legislative session, which are the biggest concern for your county?

How are the changes altering your judicial dockets, practice, etc.

Any other particular issues we have discussed that you would like to address.

Questions from the audience.
