

# Office of the Governor, Public Safety Office Criminal Justice Division Funding Announcement: ***ALERRT Travel Assistance, FY2023***

## **Purpose**

The purpose of this announcement is to solicit applications from law enforcement agencies to offset agency-incurred travel costs for sending peace officers to Advanced Law Enforcement Rapid Response Training (ALERRT) training.

## **Available Funding**

State funds for these projects are authorized by a Budget Execution Order proposed by the Legislative Budget Board and ratified by Governor Abbott on June 28, 2022, pursuant to Texas Government Code, Section 317.002 and Section 317.005(b). All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. The Public Safety Office (PSO) expects to make available \$3M for FY2023.

## **Eligible Organizations**

Applications may be submitted by independent school districts, institutions of higher education, units of local government, and other educational institutions that operate law enforcement agencies employing peace officers under Article 2.12, Texas Code of Criminal Procedure.

All applications submitted by local law enforcement agencies/offices must be submitted by a unit of government affiliated with the agency, including an authorizing resolution from that unit of government. For example, police departments must apply under their municipal government, and community supervision and corrections departments, district attorneys, and judicial districts must apply through their affiliated county government (or one of the counties, in the case of agencies that serve more than one county).

## **Application Process**

Applications may only be submitted after receiving confirmation of registration for an ALERRT course. Proof of course confirmation will be required prior to the issuance of a grant award.

Applicants must access the PSO's eGrants grant management website at <https://eGrants.gov.texas.gov> to register and apply for funding. For more instructions and information, see *eGrants User Guide to Creating an Application*, available [here](#).

2. Any other prohibition imposed by federal, state or local law or regulation.

## Selection Process

**Application Screening:** The Office of the Governor will screen all applications to ensure that they meet the requirements included in the funding announcement.

**Peer/Merit Review:** The Office of the Governor will review applications to understand the overall demand for the program and for significant variations in costs per item. After this review, the Office of the Governor will determine if all eligible applications can be funded based on funds available, if there are cost-effectiveness benefits to normalizing or setting limits on the range of costs, and if other fair-

share cuts may allow for broader distribution and a higher number of projects while still remaining effective.

**Final Decisions:** The Office of the Governor will consider these factors and make all final funding decisions. Other factors may include cost effectiveness, overall funds availability, or state government priorities and strategies, legislative directives, need, geographic distribution, or other relevant factors.

The Office of the Governor may not fund all applications or may only award part of the amount requested. In the event that funding requests exceed available funds, the Office of the Governor may revise projects to address a more limited focus.
