

Office of the Governor, Public Safety Office Criminal Justice Division Funding Announcement: *Crime Stoppers Assistance Fund, FY2021*

Purpose

The Office of the Governor's Criminal Justice Division (CJD) seeks to strategically support, expand, and fund local certified Texas Crime Stoppers organizations that help protect our communities.

Available Funding

State funding is authorized for these projects under Article 102.013, Texas Code of Criminal Procedure, which designates CJD as the administering agency. The source of funding is a biennial appropriation by the Texas Legislature from funds collected through court costs and fees. It is anticipated that up to \$500,000 will be funded in this announcement.

Eligible Organizations

Applications may be submitted by organizations defined in Section 414.001(2) of the Texas Government Code as certified by the Texas Crime Stoppers Council. These organizations are certified to receive repayments under Articles 37.073 and 42.152 of the Texas Code of Criminal Procedure, or payments from a defendant under Article 42.12 of the Texas Code of Criminal Procedure. Section 414.001(2) of the Texas Government Code defines a "crime stoppers organization" as:

- 1) a private, nonprofit organization that is operated on a local or statewide level, that accepts donations and expends funds for rewards to persons who submit tips under Section 414.0015(a), and that forwards the information received from tips to the appropriate law enforcement agency, school district, or open-enrollment charter school; or
- 2) a public organization that is operated on a local or statewide level, that pays rewards to persons who submit tips under Section 414.0015(a), and that forwards the information received from tips to the appropriate law enforcement agency, school district, or open-enrollment charter school.

Priority will be given to state agencies, conference and training hosts, local organizations, campus organizations, and organizations that support or seek to initiate campus programs.
